Standalone pulsator, 16 configurable rate/ratio programs

SCR P700S/SO

16 Configurable rate/ratio programs with touch control for on/off pulsation (suitable for standalone milking points)

About SCR

Because the success of your farm depends on the health and productivity of your individual cows, SCR is committed to making every cow count.

Monitoring millions of cows worldwide, our data-driven solutions are trusted by successful dairy farmers to help them improve efficiency and drive growth. We provide the insights and analytics that are essential for optimizing the productivity of every cow, thereby maximizing herd performance and helping to ensure a secure and prosperous future for farms and farmers' families.

Building on over 35 years of meaningful innovation, our pioneering solutions enable smarter and more sustainable dairy farming.
